Subject: Re: 1 Riverside Cottages - Water Damage Strip Out

Dear Peter,

Thank you for your email.

This has already been forwarded to Andy Lyne our independent loss adjuster.

Like you we do have major concerns about the length of time the cottage has been sitting with sewage under the floors and the deleterious impact this must have caused.

We also note the shortcomings you have raised in the Davies Surveyor report. Andy Lyne will no doubt be raising this with insurers particularly in light of his own findings.

We will come back to you once we have some further news.

Many thanks.

Nicholas
