Hi Andy,

I received a call from Davies this morning confirming that they will be paying £5,000 as an advance along with £5,760 in rent, covering the period up to the end of May. As of now, the funds have not arrived, but they advised it may take up to five working days for receipt.

The £5,000 advance relates to invoices dating back to 11th April. These were submitted promptly upon request, and it's taken nearly eight weeks for them to process payment.

Sarah was under the impression that June's rent would also be covered, as per the attached invoice dated 21st May. However, this has not been included. Could you please confirm whether this payment is expected shortly?

Separately, could you obtain written confirmation from the insurers that:

The builder's quote is acceptable, and

The plaster will be stripped to a minimum height of 1 metre.

This is very urgent, as the builders are due to begin work next Monday.

Also, has there been approval for the Everhot removal quote I forwarded? We are very keen to proceed with relocating it as soon as possible.

In addition, I'd appreciate an update on the testing upstairs, as per my previous email to Sarah. We are still urgently awaiting confirmation that the soft furnishings (sofa and chairs) in the drawing room and hall are deemed beyond economic repair (BER).

Thanks Andy.

Afternoon Nick,

I chased Davies for the outstanding payment this afternoon. Davies have advised that they have arranged payment, which I understand you are aware of.

I have also asked Davies to arrange urgent payment for your builder as per your quote.

Best Regards

Subject: Appointing builder and outstanding payments

Hi Sarah,

Following our call on Friday, I had expected that, by today, we would have received approval to appoint the builder and that the outstanding payments would have been released.

As of now, no funds have come through, and I've had no indication of progress. This is extremely disappointing, especially given the urgency and clarity of my email last week.

It's concerning that we appear to be no further forward. I would appreciate a clear update as a matter of urgency and expect confirmation that these issues are now being actioned.

Please could we speak first thing tomorrow morning? Your prompt attention to this matter would be appreciated.

Best regards,

Nicholas
