Hi Nick,

Please see the attached scope of work for the strip-out.

The cost for Topmarx to complete the strip-out works would be £6,078.80 plus VAT so we would need to match that amount. Do you want to send to the contractors or would you like me to?

Best Regards

Andy Lyne

Good Afternoon Andy,

Thank you for your time earlier today. As discussed, please find enclosed a copy of the unpriced scope for the strip out works required. Please be aware only the low level units require removal at this time to

facilitate

removal of the flooring. As no damage was visible to the kitchen units, all care should be taken to remove the units so that these may be refitted following strip out and drying. Should any damage be discovered to the units following removal, we can arrange

to reassess the units to confirm if replacement will be necessary.

Kind regards,

Lizzie
