Andy,

These were the invoices (see attached) we sent on 11th April. As you know they agreed to pay us £5k as an advance excluding accommodation costs which were being paid separately. We are now six weeks later and this has not been paid.

This is completely unacceptable as I know you would be the first to agree. We are also urgently awaiting part of April and May's rent. We are being regularly chased and it's becoming very embarrassing.

Appreciate you are doing what you can but Louisa and I are at our wits end that our house is still sitting in sewage close to 3 months after the incident with a major infestation of rats and the very real prospect of substantial secondary damage.

This is in spite of a Bio Response's recommendation to insurers in the first 10 days to deal with the matter expeditiously to avoid significant further damage and mitigate their loss. They were extremely surprised that nothing further had been done when they attended last week.

The stress we are under is intolerable as I am sure you understand.

Nicholas

Hi Jill,

Thank you for your call this morning.

I have attached some invoices which would be grateful for a payment on account for. If the payment could be made to my wife Louisa who is the policyholder I would appreciate it. Her Bank details are:-

Louisa Scarr

23-05-80. Sort code

21995754. Account number

These invoices are primarily for the accommodation but also include one rug that was given to me by my Mother (sotherby's valuation enclosed), golf trolley and some tennis shoes. There are other invoices that I will forward to you next week.

We are chasing the builders and Andy Lyne is going to be speaking to Lizzy later this afternoon to establish next steps.

Many thanks.

Nicholas
