Hi Lizzie,

Confirmation of Dual Insurance – Policy Expert

Following our discussion earlier today, I am writing to formally confirm that we have recently discovered the existence of dual insurance on 1 Riverside Cottages, The Dean, Alreseford SO24 9BE - the property in question.

The other insurer is Policy Expert, and I have attached the details of that policy for your reference. This policy was taken out some time ago by my wife, Mrs Louisa Scarr, under her former married name Mrs Louisa Roupell, and had been auto-renewing for several years.

My wife had mistakenly believed the payments were related to a car we had previously purchased — specifically for additional protection associated with that vehicle. It was only upon the recent disposal of the car, and receipt of a renewal notice from Policy Expert, that this oversight came to light.

For the avoidance of doubt, no claim has ever been made under the Policy Expert policy. In line with our duty of transparency and disclosure, we are formally notifying you (and thereby your insurers) of the existence of this dual insurance.

We will also be notifying Policy Expert that dual insurance is in place and that an active claim has been ongoing with you since March 2025.

We sincerely apologise for any inconvenience this may cause and remain happy to provide any additional documentation you require.

Kind regards,

Nicholas
