Subject: RE: Qlaim 1816 N Scarr --Urgent

Good Afternoon Andy,

We have received instructions from Lloyds to proceed with the claim, with a contribution to be sought against Policy Expert once the claim is concluded.

I previously asked BioResponse to reattend following strip out of the flooring to sanitise the area and I have also requested the ATP results. Bobby advised he would make contact to arrange an appointment to complete further sanitising. I have asked Bobby for an update to clarify if an appointment has now been arranged. With regards to the ATP results, Bobby is looking into this with his manager and I have chased an update.

Regarding the payment due for VAT and accommodation, I have been informed that Mr Scarr should receive the payment by no later than Tuesday.

In regards to the concerns raised over Mrs Scarr’s health conditions and the potential pathogens from the flooding affecting all carpets, soft furnishings and the kitchen units, we have received a response from Lloyds and whilst Lloyds acknowledge the concerns raised and Mrs Scarr’s health conditions, they cannot approve the replacement of these items without supporting evidence in the form of testing to validate the claim. I have referred to BioResponse to check if there is any more specific testing that can be carried out, to confirm if there is any possible risk from pathogens. During previous conversations you also advised you may be able to organise testing through a specialist supplier. Please can you advise if this is still possible and if so, please can you provide details on the proposed testing method and the cost involved, so I may also consider this option further.

With regards to repairs, as previously discussed, please can you provide a copy of the quotation for reinstatement works, so I may validate the quote whilst the drying works are ongoing.

I hope the above is of assistance.

Kind regards,

Lizzie

Kind Regards
