Hi Andy,

Thanks for your emails.

I can do this Thursday as well. Louisa is having her operation the following week so this Thursday would be preferable as it's sooner and more convenient. I could however do the following Thursday if necessary.

Best regards,

Nicholas

Good morning Nick,

I hope you and Louisa are feeling better.

Please see the email below from Sarah Romain, this is the email we discussed on Friday.

I managed to speak to Adam Clutterbuck on Friday and he is free this Thursday pm or anytime on Thursday 16th October.

I will call Davies this morning and check their surveyor's availability also.

Best Regards,

Andy Lyne

Hi Andy

As per our conversation, please see update from Lloyds Banking Group

I've spoken with our LBG Technical Claims team, and they're aligned with our proposal for a joint site visit involving the customer's surveyor and Davies Group. Davies have confirmed they'll be sending a RICS-accredited representative.

Regarding costs, we've agreed to cover the initial site visit and any resulting reports. For any future surveyor handling fees, we'll review and agree on a case-by-case basis. To activate the professional services clause, the independent

surveyor would need to demonstrate added value to the claim.

I am going to advise Davies Group of what we have agreed, to get the ball rolling.

Kind regards
