Subject: Subject: Clarification on Worktop Cost Comparison

Hi Andy,

Please find below the cost that would have applied had we retained the same amount of quartz and wood worktop as was originally in the kitchen.

As you can see, we now have considerably less worktop space, which is why the quote we obtained from Howdens was lower than it would have been had we replicated the original layout.

Kind regards,

Nicholas

Hi Louisa,

Please see attached a worktop quote based on your previous kitchen in wood with quartz elements.

As you can see the revised quote has come in cheaper than the previous one.

Best wishes,
Lucy
