Hi Andy,

Thanks for the emails.

I was pleased to see the responses albeit we were looking for the wording to include minimum of 1 metre. I think given we are using our own contractor and in the interests of pragmatism we should move on from this point and go with your suggestion.

I will talk to Silks tomorrow and revert back after discussing with them Lizzie's point. My principal concern at this point is making sure they can start next Monday. Jason the boss is away on holiday this week so I hope I can get a decision tomorrow.

I noted the other points and look forward to hearing further on this in the near future.

We received the funds today that we were expecting following Davies call yesterday.

Well done Andy. At last we appear to be making progress. Let's hope we can keep the momentum going.

Nicholas

>
> She has confirmed the scope is for plaster removal up to a height of one metre, which was the drying contractor's recommendation. I would suggest that when undertaking the strip-out, if your contractor believes moisture has migrated higher than a meter, they make a quick call to us, and we can advise Davies that additional plaster removal is required.

Subject: RE: Qlaim 1816 N Scarr - 909647271:58 *****Response needed 4th June**** @909647271:58 #Adjuster#Correspondence#

Good Afternoon Andy,

I hope you are well and apologies my email was later than advised, I was unexpectedly delayed due to incoming phone calls.

I have noted below a response to the queries raised:

- I have submitted my report this evening to management for sign off. The report recommends payment for the non VAT amount of SilkServices quote for strip out works at £5,820.00 and for accommodation up to the 30th of June at £4,320.00.
- The lower plaster is to be removed from floor level up to 1 m in height.
- Regarding removal of the cooker, the quote from SilkServices allows 8 hours for a heating engineer to remove and set aside the cooker. I am happy for a specialist to remove the ever-hot cooker at £600.00 plus VAT, which includes removals to and from storage, plus the running cost of £50.00 per week for storage, however we will require confirmation of SilkServices cost for the 8 hours allowance for a heating engineer to remove the cooker, so we may deduct this from the above costs. Once I have confirmation of the above, I can recommend a further payment to Mr & Mrs Scarr for the outstanding balance due, net of any VAT. The VAT would be reimbursed upon receipt of the final invoice showing the contractors VAT details.
- The contents which were removed by BioResponse will be inspected by a specialist restorer who will provide their recommendations on the items that can be salvaged and the cost involved. Bobby at BioResponse is awaiting a date from the specialist restorer on when the above will be carried out, however he will arrange to chase this and provide me with a further update by Friday. I have made Bobby aware of Mr Scarr's concerns regarding the soft furnishings.
- I have spoken with Bobby at BioResponse and he will obtain further information on the testing to be carried out upstairs from the technicians. Once I have received this, I will provide you with a further update.

I hope the above is of assistance.

Kind regards,

Lizzie

Subject: Qlaim 1816 N Scarr - 909647271:58 *****Response needed 4th June****
Importance: High

*******Response needed 4th June******

Morning Lizzie,

Regarding the above claim, I have been in communication with your office, which has advised that the payment for May's AA and the £5k on account will be with him within 5 days. It's very overdue, and as you can imagine, it has caused unnecessary stress to Mr & Mrs Scarr.

Mr Scarr has emailed me chasing June's AA, which I have attached a copy of. Can you please process this payment immediately?

Mr Scarr requests your confirmation **by return** that the previously submitted builders' quote is acceptable and that the strip-out is to a minimum of 1 metre.

My Scarr would also like your acceptance of the ever-hot removal cost **by return**, as this needs to be removed as part of the strip-out.

Mr & Mrs Scarr would appreciate your update on the proposed testing upstairs in the risk address. They have been advised that airborne pathogens will have affected upstairs and would like to understand how you propose testing.

Finally, please urgently confirm the current status of soft furnishings (sofas and chairs) affected by the loss. We would expect these to be un-restorable.

Best Regards

Andy Lyne
