Hi Nicholas,

I confirmed with my seniors. All the Airain invoices should be process has total amount + VAT on it. Eg. $1,000 = 20% VAT

If you could please provide me Airain 4Q22 with addition to VAT on the total amount.

Also, kindly share me with all the total amounts of VAT for the previous quarters, I will pay them too.

Regards,

I am available tomorrow if you would like to discuss this further.

Many thanks Anu.

Best regards,

Nicholas

December 2019 and 21st July 2022 and represent the period of the 3Q 2019 and 1Q 2021. One invoice issued on the 7th December 2019 says it was in respect to 2Q2019 but this was a typo as we had invoiced you for the Q22019 on the 15th of September for 2019.

These should have been invoiced at $1200 per seat not $1,000 being a $200 difference per seat. Over that time we had 16 seats invoiced so the total additional cost is $3200.00 including VAT.

I attach the invoice but if you should have any queries please do not hesitate to contact me.

Many thanks.

Subject: Revised invoice for Q4 Airain programme

CAUTION: [EXTERNAL Email]

Hi Pranali,

I am attaching our revised invoice for Airain Q4. This is now based on $1,000 plus VAT. I have sent it through to the usual email address but wanted to send it to you direct as well.

The issuing of this invoice was delayed because of the confusion over the invoice value relative to VAT.

Many thanks.
