Good

Morning Andy,

May I first of all thank you for your time in meeting with Mr & Mrs Scarr, Adam Clutterback, and myself on Thursday 9th October 2025, which was greatly appreciated.

I was very pleased that it was a positive meeting and, as agreed, I will liaise direct with yourself concerning the future progression of this claim, and understand that

Adam will be compiling a detailed Specialist Report on the necessary damp proofing rectification works required after the flood, ensuring that they meet with current Building Regulation Requirements.

With regard to the sanitisation potential problems on the first floor, I will complete an Initial Report to Davies Surveying and recommend that they appoint an appropriate

Specialist to investigate and advise further on this matter.

Once I have received Adams Specialist Report, I will complete a Draft Schedule of Proposed Reinstatement Works, and will discuss this with you prior to formal issue to

the appointed Loss Adjuster, so that all parties can agree this in principle.

I trust the above is satisfactory and will keep you fully updated of all developments, but please don’t hesitate to contact myself, should you require anything further

in the interim.

Kind regards,

Kevin
